Knight & Bride Contact Person as Data Controller Form Information

1. General Information about Personal Data Owner Application

As a data owner, you may contact and request the following from Knight & Bride in accordance with Article 11 of the Law of Personal Data Protection.

- a) Learning whether your personal data was handled
- b) Requesting information if your personal data was handled
- c) Getting information about the purpose of handling your personal data and whether it is used appropriately,
- d) Obtaining information about the third parties into which your data is transferred domestically or internationally,
- e) Requesting correction of your personal data in case that your personal data was handled incompletely or faulty and asking for notifying the third parties into which your personal data was transferred about the procedure.
- f) Requesting the deletion, elimination or anonymization of your personal data and asking for notifying the third parties into which your personal data was transferred about the procedure if the reasons for handling were ceased although the personal data was handled in accordance with the provisions of the Law 6698 and the other concerning laws.
- g) Raising an objection to the result which is against you by means of analyzing your handled data only with automatic systems,
- h) Requesting compensation of damage if you suffer damage because of handling your personal data unlawfully.

Knight & Bride shall conclude your application in scope of the Personal Data Protection Law as data owner according to the status of your request as soon as possible and latest within 30 (thirty) days in accordance with Article 13 of the Personal Data Protection Law 6698.

2. Application Method as Personal Data Owner

You may send your requests which are in scope of the Law 6698 in writing or by using registered electronic email (KEP), secure electronic signature, mobile signature or the email address you have informed us and registered in our system in accordance with Article 13 of the concerning law and Article 5 of Bulletin About the Procedures and Principles for Applying to Data Controller.

Please pay attention to the following issues while applying as Personal Data Owner.
